

Message from Dr. Amarjit S. Marwah

Philanthropist, Chief Guest - SHDF First Fundraiser 2001

With your great vision and spearheading a specific project to help the underprivileged children in education, to help and mold their characters and become self sufficient and effective representatives of our community, is the best service which Sikh Human Development Foundation has done in the last 7 years.

I really congratulate and commend you and your total board members to make it happen with all their tireless efforts. I commend you all for working to live up to the ideals of service and sharing. Together, we can create a more prosperous world by helping the underprivileged.

Dr. Amarjit S. Marwah
